## The Engine with the outstanding performance

Why should you have to choose between exhilarating performance and money-saving efficiency? In the All-New Fiesta you can have it all. A 1.0 litre EcoBoost engine puts a six times winner of International Engine of the Year at your command. The revolutionary 1.0 litre -3 cylinder EcoBoost engine gives you all the power you'd expect from a conventional 1.6 engine, achieving better fuel economy and sophisticated driving dynamics.

## A large panoramic roof for a lighter, airier feel

Unlike most cars its size, this Fiesta comes with the option of a luxurious two-part, glass panoramic roof. Solar reflective glass keeps you cool and protects you from UV rays. An electrically operated roof blind also enables you to cover or reveal the roof at the press of a button.

## Seamless technology you can control with your voice

Ford SYNC 3 is a state-of-the-art system that enables you to stay connected and control your phone and music with intuitive voice commands, or a 8 inch colour touchscreen. It connects to Apple CarPlay and Android Auto too.

## Technology assigned at its best

When smart technologies work effortlessly in your home, they should do the same in your car. The All-New German made Fiesta is equipped with SYNC 3 to make life easier, rear view camera that shows whatever's behind you on the display screen, B&O PLAY to make journeys more entertaining and an openable panoramic roof to make every drive more enjoyable so get ready to discover all this and more.

## Colours

## Room to stretch your legs

By clever use of space, Fiesta gives you more front and rear legroom than ever before. And because the rear seats have sculpted, slim backs, your passengers can sit further back.

## Nothing beats an outstanding Performance

The Fiesta's great driving performance makes it a one of a kind, No wonder this car is known for being FUN to drive. Its drivability and maneuvering skills are beyond expectations, that is assisted with features like: auto high beam, Fog lights that helps in making this vehicle an exceptional one.
