

GIULIETTA

A HUMAN-CENTRIC CAR FOR THE PASSIONATE

The Giulietta is an Alfa Romeo car before anything else. Designed totally around the person, it puts the driver at the centre, giving full command and control of information.

FUEL YOUR INSTINCT

Giulietta. Power, energy and safety, ready to be unleashed on the road.

Agility. Cutting-edge McPherson front suspensions and Multilink rear suspensions, ideal for handling sharp corners with excellent grip, offering superior driving comfort.

Fun. Dual Pinion Active Steering for an exhilarating driving experience.

Technology and sportiness. Alfa™ DNA selector with three different dynamic vehicle responses according to the driving style and travelling conditions.

ENERGY FROM WITHIN

Perfect ergonomics and Italian style: the interior of the new Giulietta is all about the driver. The beauty of sophisticated materials is all around. New brushed matt black inserts for the dashboard, door panels and centre console. The ultimate in comfort and beauty, the seats come in fabric, fabric and Alcantara®. In the sports versions, they are in leather and Alcantara®.

Width (mm)	1798
Length (mm)	4351
Wheelbase (mm)	2635
Boot Capacity (L)	350

The CO₂ and fuel consumption values are determined on the basis of the measurement / correlation method referring to the NEDC cycle as per Regulation (EU) 2017/1152-1153. The CO₂ and fuel consumption values obtained according to applicable regulation are indicated in order to allow the comparison of vehicle data. The homologation values of CO₂ and fuel consumption may not reflect the actual values of CO₂ and fuel consumption, which depend on many factors related, by way of example but not limitation, to the driving style, the route, the weather and road conditions, the condition, use and equipment of the vehicle. The indicated value of CO₂ and fuel consumption refers to the versions of the vehicle with the highest and the lowest values. Those values may change with the subsequent configuration depending on equipment selected and/or size of tires selected.
